Finish Strong to Begin Strong:
2023 Wrap Up & 2024 Strategic Planning

WHAT IS THE WOMEN BUSINESS OWNER SUMMIT?

The WBOS is a quarterly event designed to connect women business owners with each other and with information and resources so that **both the owner and business thrive**. WBOS is for both the seasoned woman business owner and also for those just starting out.

EVENT DETAILS

Emerge Events is partnering with the **Hattiesburg Downtown Association** to bring the next WBOS to Downtown Hattiesburg on Nov. 29 and 30, 2023!

Our inaugural gathering was in August 2023 and the feedback from attendees was extremely positive! We are still hearing about the transformative information learned at this event and the amazing collaborations taking place because of connections made.

We are excited to keep that momentum going! Each quarter we will convene the Women Business Owner Summit. In between quarterly gatherings we will provide opportunities that encourage accountability and camaraderie.

Join us for a powerful and impactful way to end the year so that you are ready for 2024! Get the MOST impact by attending both days, but you can also sign up to attend just one day.

SUPPORT THIS EVENT AND WOMEN BUSINESS OWNERS!

We also have opportunities for **sponsoring this event!** Get your product or service in front of a group of multi-passionate women entrepreneurs while helping us pour into them so they can continue to pour into their businesses and communities.
